

## **WE NEED YOUR HELP!!!**

**Please contact Governor Christie and ask him to increase the \$25.00 Nonpublic School Security Aid allotment in his budget for next year. It is estimated that last year, the public school allotment for security aid was approximately \$138.00 per pupil – a huge difference!**

**Please let the Governor know that nonpublic school students face the same risks as public school students in regard to safety.**

**Please email Governor Christie at:**
