Cooper Medical School of Rowan University

MEDacademy

2026 Program Dates: Monday June 29 - Friday July 24

MEDacademy is a four-week summer enrichment program for high school students aspiring to become doctors. Participants will experience what it is like to attend medical school and explore the field of medicine through lectures, hands-on demonstrations, and interactive experiences.

Program Activities

Students rotate through featured medical specialties, beginning with a morning lecture, followed by a combination of case-based learning activities, clinical simulations, hands-on demonstrations, featured guest speakers and more. They will have the opportunity to tour Cooper University Hospital and present a final group project during the graduation ceremony.

Eligible Candidates

- Highly motivated and talented high school students entering junior and senior year
- Excellent academic standing (GPA of 3.3 or above)
- Successfully completed science and math courses
- Demonstrated interest in the field of medicine

Faculty

Cooper Medical School of Rowan University faculty, staff and students, along with Cooper University Hospital physicians

Tuition

$3,000 (cash, check, money order or credit card) includes: scrubs, stethoscope, field trips, educational resources and graduation reception and ceremony. Students should have access to a laptop or iPad during the program.
