

### **Religion Summer Reading Assignment**

1. Find a bible verse that is meaningful to you.
2. After reading the verse, take time to think about the meaning and the message it delivers. Write a reflection on the passage. Do not retell the story. Instead, tell the message you found in the story. Write three to four lines of your personal reflection for each passage.
3. Find an inspirational quote. This can be from a celebrity, book, athlete, political leader, saint, or any other person.
4. Using a computer, make a poster with the quote of your choice. Please use computer sized paper. The paper may be in portrait or landscape orientation. Be creative when making this poster: use borders, colors, fonts, and/or pictures.
5. On another paper, write the quote you chose, tell why you selected it, and explain how you could use it to grow spiritually.
