

Cooper Medical School of Rowan University

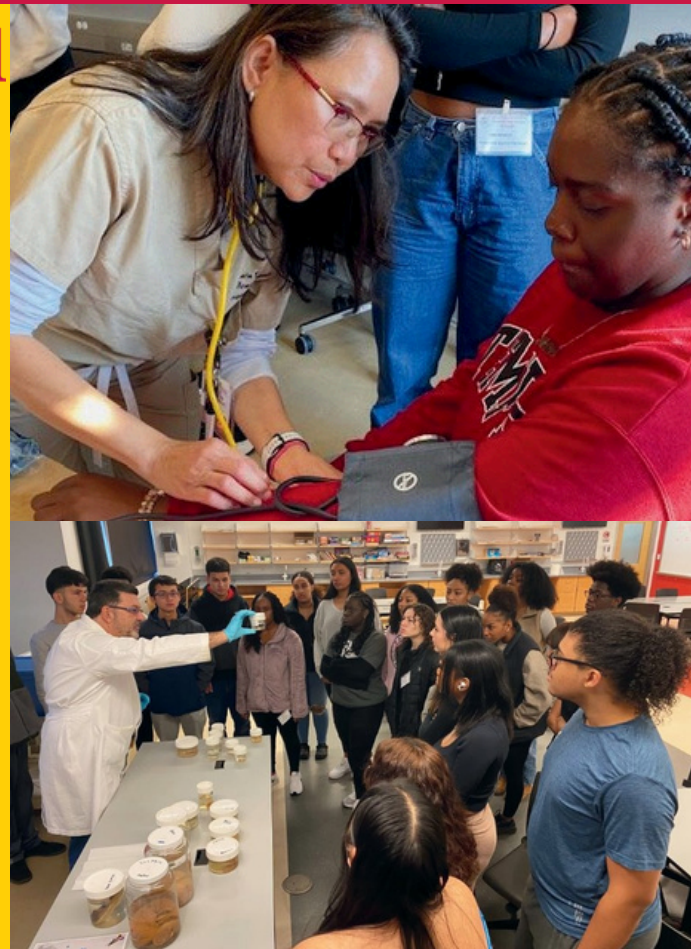

JUNIOR URBAN MEDICAL
PIONEERS (JUMP)

**Love science or tech?
Curious what it's like to be a
medical doctor?**

Join JUMP High, an 8-session Saturday program where you'll explore real careers in healthcare, right inside a medical school!

About the JUMP High Program

JUMP High is for students who love math and science and want to explore medicine up close. You'll attend interactive sessions led by medical students and real doctors from Cooper University Health Care, get hands-on experience, and learn what it takes to work in healthcare.

Explore These Professions:

- Anesthesiology
- Cardiology
- Emergency Medicine
- Family Medicine
- Gynecology/Obstetrics
- Gastroenterology/Nutrition
- Pathology
- Physical Medicine/Therapy
- Psychiatry
- Sports Medicine
